Noah Stachera

DIGITAL CONTENT CREATOR

OBJECTIVE

Is to learn more about building interactive websites in a rapidly evolving technological world. As far as video creation, I'm looking to continue to make connections with creative-minded video artists, as well as further developing an understanding of motion, delivering a clear message visually, and how to improve making an impactful story.

EXPERIENCE

DIGITAL CONTENT CREATOR

Pennsylvania Sea Grant | May 2023 – Present

I'm acting as a freelance videographer/ video editor. Helping create educational videos on the control of invasive species/environments and how other people can report these species.

DIGITAL TEAM INTERN

PGA of America | May 2023

Learning highly advanced live production techniques through the content creation social media team, at the PGA Championship. I acted as a Camera/production assistant and videographer. Helping produce highlights or recaps of professional golfers, as well as capturing all other venue activities.

VIDEOGRAPHER/VIDEO EDITOR

Wintergreen Media | Aug 2021 – Apr 2022

Student job for Penn State Behrend events. Most projects include Penn State Behrend events such as athletics, guest speaker panels (like TED talks), and others. I also made projects such as commercials and promos for Non-profit organizations trying to grow local businesses in Erie, PA.
